WORK EXPERIENCE

31/03/2022 – 30/04/2022 Istanbul, Türkiye

Halic University

I have designed and developed a website for Halic University, this was a conference website that had the capability of storing data and journals to be uploaded and also an email system. The website domain is: iothic.halic.edu.tr

01/07/2022 – 01/08/2022 Istanbul, Türkiye

Web developer Darsonline

The website (darsonline.org) is created for an organization to help Afghan Girls that couldn't attend school, have access to education through an online system.

03/09/2020 – 25/11/2020 Kabul, Afghanistan

Database Developer Sina Hotel and Restaurant

This system was built to organize all the customers and stored every money transaction on the database. The online reservation system was included along with the automatic report generation system.

09/12/2020 – 19/01/2021 Kabul, Afghanistan

Database Developer Ghazni Asri Pharmacy

This system I designed and developed was for a pharmacy that had features like counting the items that have been sold or purchased, calculating finances, taxes, executing reports, and alerting the admin about items that needed to be ordered so they won't run out of it.
